- University of Ostrava - research, evaluation
- HVO Querido - training of social workers

## Consultation

- Platform for Social Housing

## *Original problem*

Families with children in sub-standard housing

- Asylum shelters - up to one year, without partner
- Hostels - small and expensive space, no hygienic standards
- Sub-standard flats - short term leases, drugs and security problems

These families are typically considered not fit for housing by both private and public landlords and have little access to standard housing.

# *Intervention*

50 families with children choosed by lotery got municipal **flat with support**

Lease for one year is extendet when

- No debt on rent
- Without serious problems with neighbors
- Flat is OK

*(Standard conditions)*
